**PROGRAM**

The organising committee of the Lower Clarence Music Eisteddfod is pleased to welcome participants and audiences to the 12<sup>th</sup> annual Music Eisteddfod. Each year we aim to make improvements to the organisation and experience of the event. We seek to expand the level of participation from centres further afield to strengthen the artistic, educational and competitive aspects of the eisteddfod. However, the idea of competition is never to outweigh the supportive and positive learning gained through participation. We wish everyone well and believe that the best rewards gained from being involved are the learning, confidence and experience. We look forward to your continuing support and trust that you will enjoy your time here. The encouragement and support from community organisations and businesses is greatly appreciated by our committee and the participants themselves. A sincere “thank you” is extended to teachers, students and musicians who are taking part.

Congratulations and sincere thanks are extended to our “band” of fantastic volunteers, these “friends of the eisteddfod” who have been willing to give of their time and skill to assist. A particular thank you to my committee who give through interest, skill and time.

Thank you all.
