WORKING WITH CHILDREN CHECK.

ALL volunteers must have a "Working with Children Check" completed as this is a legal requirement for organisations such as ours. If you have volunteered with similar organisations your WWC may still be current. If you need to renew or apply for your WWC it is a simple procedure which requires you to complete a form on-line and then go to the Services NSW with your Driver's Licence ID or similar.

To access the application form, go to: wwcc.nsw.gov.au

Fill in the form and print your "New application receipt", take it with you to the Services NSW Office because you will need to quote your "Application Number". If you have any problems with this please contact Joy de Roos on 0429 040 356.

Please contact Doug or Joy if you need further assistance.
